International Broadcast Convention (IBC) 2016 is a great opportunity for industry professionals to share the latest technologies in broadcast solutions. You are invited to come and experience our successful end-to-end workflow solutions which offer an edge over the rest.

Etere remains the only company worldwide to offer a complete solution for any media or broadcast company. Etere automated solutions are able to manage all aspects of the business including scheduling, air-time sales, play out automation, resource planning, traffic, media management, indexing, archiving, news, recording/ingest, quality control, video logging and more.

Etere is a pioneer in IT-based playout and amongst the worldwide leaders in automated broadcast solutions. Being at the forefront of cutting edge technology and effective solutions is a principle of Etere that never changes. At IBC 2016, Etere will be showcasing our solutions which incorporates some of the most advanced, effective and cost-efficient automated technologies available in the market.

Etere, a consistent system since 1987!

Highlights at a Glance:

Etere MAM
Etere Media Management is a highly effective digital content management solution, specifically designed to streamline the process of ingest, indexing, storage and retrieval of digital assets.

Etere M.E.R.P
The highly effective Etere M.E.R.P. is a total software solution able to connect and manage the complete lifecycle of a Media/IT company. Etere M.E.R.P. is an innovative extension of E.R.P. - Enterprise Resources Planning- applied to Media/IT companies, and is the core solution for the newest way to revolutionize the media/IT management structure.

Etere ETX
The 4k enabled Etere ETX is the most advanced, tightly integrated and cost-efficient video management system on the market, completely based on IT technology.

Vote for a Short IBC
IBC is a 5 days show and ETERE decide to shorten it to 4 days, we will close the booth on Monday evening.

Etere is preparing for a host of exciting and new additions so stay tuned for more details!
