About BES Expo 2017

Established in 1987, the Broadcast Engineering Society (India) is the organizer of the signature event of the society, BES India Expo 2017, an International conference and exhibition that is conducted every year in New Delhi. BES India Expo 2017: Conference & Exhibition on Terrestrial and Satellite Broadcasting is the twenty-third edition of the show. The annual BES EXPO is approved by Ministry of Information and Broadcasting, Government of India and endorsed by the International Association of Broadcast Manufacturers (IABM) and DRM. Last year, nearly 300 companies from 25 countries displayed their products in BES India Expo 2016 directly or through their dealers and distributors in India. Exhibiting companies included those from Australia, Austria, Canada, China, Denmark, Finland, France, Germany, Hong Kong, India, Israel, Italy, Japan, Korea, Netherlands, Norway, Singapore, Spain, Sweden, Switzerland, Taiwan, U.K. and U.S.A.
