As we embark on our journey into our third decade in the business, we would like to take this opportunity to thank you for your continuous support and confidence in us throughout the years.

The Etere experience is designed for a long-lasting relationship and your success matters to us. We continue to find our greatest motivation in providing effective and forward-thinking solutions to your complex problems. With Etere's revolutionary **Media Enterprise Resource Planning (MERP)** framework, you are equipped with the freedom to integrate, upgrade and expand the end-to-end workflow without a major change in the system. Etere strives to resolve not just your problems of today but also the complexity of tomorrow's challenges. Above all, Etere celebrates your successes.

This season of giving, Etere has chosen to donate the amount which is usually set aside for traditional Christmas gifts to **Singapore Cancer Society**. The charity is a self-funded voluntary welfare organisation dedicated to minimizing the impact of cancer through public education, screening, patient services, financial assistance, research and advocacy.

See you in 2019!
