Christmas

The year 2012 has been really challenging and valuable for our Company: we gained new markets, strengthened our presence in other ones, continued to upgrade our software to add value to your investment by providing the best cost-effective solutions.

We are aware that our Customers and Distributors have been important to shape our business during this year.

THANKS to all for your continuous support making 2012 a successful year for Etere!

We look forward to work with you in the New Year to keep achieving our goals. This year again our Company has chosen to donate the amount planned for the traditional Christmas presents to someone that needs it more than us, and we hope all of you agree. We will support the Emergency Surgical and Pediatric Centre in Sierra Leone.

We are proud to help this humanitarian NGO which in 18 years of the activities provides medical treatment to the civilian victims of war. We completely agree with his founder Gino Strada: 'I am not a pacifist. I'm against war'. Detailed information is available in the attached PDF document.

Etere Staff wishes you a very happy Holiday Season and a New Year of peace and prosperity!
