The Censor Sees the Tasks

Action

Agenda

The screenshot displays the Etere Agenda application in a web browser. The interface includes a sidebar with navigation options: Home Page, Air Sales, Automation, BMS, Dashboard, HSM, MAM, Memory, Reports, Resources Management (with sub-items: calendar, tasks, user messages), System, and Tapeless. The main content area is titled 'Agenda' and features a table of tasks. Above the table are filters for 'Action', 'Available tasks', 'All', 'First 50', and a 'Refresh' button. The table has columns for Status, Task, Code, Start date, and Due date. A single task is listed: 'Censorship Required?' with Code 4038, Start date 3/12/2022, and Due date 3/13/2022. The user 'de rosa stefano' is logged in. The bottom status bar shows 'Users connected : 1 | Etereweb - Etere pte ltd'.

Status	Task	Code	Start date	Due date
	Censorship Required?	4038	3/12/2022	3/13/2022

Take and Execute the Job

Action
Agenda

The screenshot displays the Etere software interface, which is a consistent system for managing tasks and media. The interface is divided into several sections:

- Left Sidebar:** Contains navigation icons and labels for various system components: Home Page, Air Sales, Automation, BMS, Dashboard, HSM, MAM, Memory, Reports, Resources Management, System, and Tapeless.
- Top Bar:** Shows the user's name 'de rosa stefano' and a profile icon.
- Main Task View:** Displays details for a specific task. The task is titled 'test lowres web' and is associated with 'EPISODE 1' and 'VERSION 1'. The task ID is '1' and the code is '1'. The status is 'Normal' and the priority is 'Normal'. The T-Workflow is 'Censorship' and the action is 'Censorship Required?'. The period is '3/12/2022 6:00:40 PM 3/13/2022 6:00:40 PM' and the assignee is 'de rosa stefano'. There is a 'Take task' button at the bottom right of the task details section.
- Right Panel:** Features a video player showing a crowd of people holding red flags. Below the video player, there are buttons for 'Edl options' and 'To cut', and a timeline at the bottom showing various segments like SOM, EOM, and DUR.

Open Asset

- Flexi-metadata
- Videofile of Flexi-Metadata
- Job info
- T-Workflow Instance
- Previous Task Info

The screenshot displays the Etere software interface, which is a consistent system for managing media assets. The interface is divided into several sections:

- Header:** Shows the user's name 'de rosa stefano' and the current task details: ID 1, Code 1, Title 'test lowres web', EPISODE 1, and VERSION 1.
- Left Sidebar:** Contains navigation options such as Home Page, Air Sales, Automation, BMS, Dashboard, HSM, MAM, Memory, Reports, Resources Management, System, and Tapeless.
- Central Task Form:** Displays task details including Action (Open asset), Flexi-metadata, Videofile flexi metadata, Job info, T-Workflow instance, and Previous task info. It also includes fields for Censorship, Action (Censorship Required?), Period (3/12/2022 5:09:10 PM to 3/13/2022 5:09:10 PM), Assignee (de rosa stefano), and Notes.
- Right Panel:** Features a video player showing a crowd of people holding red flags, labeled 'MPEG-4 - LOWRES'. Below the video player are controls for playback, volume, and subtitles.
- Bottom Panel:** Includes a section for Costs, To invoice, and Notes, as well as a section for EDL (Edit Decision List) options.

The interface is annotated with labels for various components:

- Action:** Points to the 'Action' dropdown menu.
- Open asset:** Points to the 'Open asset' option in the dropdown menu.
- Flexi-metadata:** Points to the 'Flexi-metadata' option in the dropdown menu.
- Videofile of Flexi-Metadata:** Points to the 'Videofile flexi metadata' option in the dropdown menu.
- Job info:** Points to the 'Job info' section in the task form.
- T-Workflow Instance:** Points to the 'T-Workflow instance' section in the task form.
- Previous Task Info:** Points to the 'Previous task info' section in the task form.
- MPEG-4-LOWRES:** Points to the video player.
- EDL Options:** Points to the 'Edl options' section at the bottom.

The screenshot displays the Etere Asset management interface. The top navigation bar includes tabs for Agenda, Index, Asset, and Calendar. The main content area shows the details for an asset named 'test lowres web'. The interface is divided into several sections:

- Metadata:** Fields for ID (1), Type (FILM), Code (1), Title (test lowres web), Part (0), Season (0), EPISODE (1), and VERSION (1).
- Actions:** A list of actions including Physical Start, SOM, Intro, Scheduled Duration, Physical End, EOM, and Skip Intro.
- Timeline:** A visual representation of the asset's duration, showing segments with their respective start and end times.
- Comments:** A section for inserting comments, with a dropdown menu for 'Edl options' and a list of options (1-9).

The bottom of the interface features a video player showing a crowd of people holding red flags. The system tray at the bottom indicates the time is 17:45 on 12/03/2022.

Create Multiple Segments

The main interface shows a video player on the left and a segment list on the right. The video player displays a scene with a mountain and stars. The segment list shows two segments: 'segment 1' and 'segment 2'. The segment list has tabs for 'Edl Options', 'EDL n.1', and a numeric keypad (1-9). The 'Edl Options' tab is active, showing a table of segment data.
